Volume 13, Numbers 1–3

CONTENTS

Number 1 PAGE

Testing and the School Curriculum: Evolving Trends

Testing and the School Curriculum: Evolving Trends, *P. Tamir* 3
From Marking Strategy to Assessment Procedure: A Review of Recent Australian Practices, *G. Withers* 7
Marking Strategies in Denmark with Special Reference to Strategies in the Danish Comprehensive School ('Folkeskolen', Age 7–17), *J. Gregersen*, lic. paed. 21
Marking and Examinations in The Netherlands, *R. Van Krieken* 35
Marking Strategies in Italy, *M. Gattullo* 43
Recent Developments in Assessment and Examination Procedures in Scotland, *W. B. Dockrell* 49
Scores and Scales for School Achievement, *E. Haertel* 61
Testing and Teaching: Two Sides of the Same Coin? *H. C. Rudman* 73
Marking Strategies of Student Tests in Israel with Special Reference to an Innovative Marking Procedure of Practical Tests, *P. Tamir* 91

Evaluation Studies

Student's Ability to Transfer Basic Mathematical Concepts from Mathematics to Chemistry, *J. Menis* 105
Structures and Methodologies for the Evaluation of Educational Software, *P. C. Duchastel* 111
The Implemented and Attained Mathematics Curriculum: Some Results of the Second International Mathematics Study in The Netherlands, *T. J. H. M. Eggen, W. J. Pelgrum and T. Plomp* 119

Number 2

Finding the Question for Evaluation Research, *J. T. Dillon* 139
The Evaluation of Clinical Legal Education, *P. V. Murray* 153
Programme Evaluation: An Empirical Study of a Degree Programme in Education, *E. Arubayi* 159
An Instructional Evaluation Study in Early Childhood Education, *O. N. Saracho* 163
Learning in Autonomous Student Groups: Learning Skills as a Predictor of Satisfaction, *D. S. Miall* 175
A Model Relating Teacher Expectation and Student Difficulties, *N. Zehavi, R. Bouhadana and M. Bruckheimer* 185
Opportunity-to-Learn and Achievement in Secondary School Mathematics, *I. O. Osafehinti* 193
Factors Influencing the Decision-Making Process: An Examination of the Effect of Contextual Variables, *D. L. Newman, R. D. Brown and L. S. Rivers* 199
Evaluating Alternative High Schools in Terms of Their Classroom Environments, *B. J. Fraser, J. C. Williamson and K. G. Tobin* 211
The "Kernel of Truth Theory" Model or Metaperceptual Congruence Methodology: An Alternative Approach to the Study of Innovatory Programme, *C. S. Akpe* 219

Number 3

Preface, *J. C. Van Bruggen* 227
The Problems and Possibilities of the Impact Evaluation of Institutes for Curriculum Development, *J. C. Van Bruggen* 231

The Impact of the Institute for Science Education, Federal Republic of Germany: Some Facts and Critical Remarks, *K. Frey, R. Künzli and K. Riquarts* 247
The School Curriculum Development Committee, *A. Craft* 257
Evaluation of Impact in Israel: Israel Curriculum Centre, *A. Lewy* 263
Evaluating the Impact of the National Board of Education in Sweden, *M. Myrberg* 275
The Work of the French National Institute for Pedagogical Research INRP, *F. Best* 289
Evaluating the Impact of the Curriculum Centre in Australia, *P. Hughes and K. J. Kennedy* 297
The Impact of the Korean Education Development Institute KEDI in Curriculum Development, *B.-S. Kwak* 307
Evaluation of the Impact of Curriculum Institutes: A Nigerian Case Study, *S. 'Tunde Bajah* 319
In Search of the Impact of the Dutch Institute for Curriculum Development: An Empirical–Analytical Approach, *E. K. Marshall* 329
The Evaluation of Institutional Impact: The Case of CPEIP in Chile, *M. Soto-Rodriguez* 341
Reflections: Institutional Impact is a Probiem with Possibilities, *J. C. Van Bruggen* 353

AUTHOR INDEX

Akpe, C. S. 219
Arubayi, E. 159

Best, F. 289
Bouhadana, R. 185
Brown, R. D. 199
Bruckheimer, M. 185

Craft, A. 257

Dillon, J. T. 139
Dockrell, W. B. 49
Duchastel, P. C. 111

Eggen, T. J. H. M. 119

Fraser, B. J. 211
Frey, K. 247

SUBJECT INDEX

Ability, IRT 66
Ability to transfer concepts from mathematics to chemistry 105
Ability training 82
Achievement
  opportunity-to-learn, mathematics 193
  testing and the curriculum 3
Achievement batteries, U.S. 61, 64
Adult education, Chile 345
Adult learners, classroom environment 211
Air and Correspondence High school Programme 308
Alfonso Japanese 303
Alternative high schools, classroom environment 211
American College Testing Program 61, 65
Approved Study structure V 17
Aptitude, teachers perceptions of 79
Aptitude tests 61, 65
Arts, curriculum development 259
Assessment
  Australia 7
  Denmark 21, 23
  internal versus external 5
  Israel 91
  Italy 43
  Scotland 49
  testing and teaching 74
  U.S. 61
Assessment of Performance Unit 233
Australia
  education systems 8
  marking strategy and assessment 7
Australian Curriculum Development Centre 234, 297
Australian Education Council 297
Autonomous student groups 175

Biology, Practical Tests Assessment Inventory 95
Biotechnology 249
British Schools Council 234

California Assessment Program 62, 66
Centro de Perfeccionamiento, Experimentacion e Investigaciones Pedagogicas 341
Certificate of Education, Scotland 51, 53, 57
Chemistry
  IPN, impact 247
  transfer of mathematical concepts 105
Chile, impact of CPEIP 341
CIBEX 345
Citizen curriculum 282
Classroom environment, alternative high schools 211
Classroom tests, marks for 62
Clinical legal education 153
Clinical supervision 185
College and University Classroom Environment Inventory 212
Common curriculum 16
Communication model, decision making 199
Comparative Education Study and Adaptation Centre 321, 325
Comprehensive schools, Sweden 281
Comprehensive Tests of Basic Skills 61, 64
Computer education, Sweden 280, 284
Computerised Instructional Materials Unit, ICC 265
Computerised school report files 16
Computer science 249
Content-standard scores 66
Contextual factors, decision-making process 200
Continuous assessment 37
Continuum model, criterion-referenced testing 54
Contractual evaluation 324
CO-OP 147
Cooperative answers 147
Cooperative assessment 11
Core curriculum 355
  Australia 300, 303
  Netherlands 335
  Nigeria 321
Courseware evaluation 111
Craft courses 52
Criterion-based essay assessment 13
Criterion-referenced tests 4, 11, 38, 54, 61
Curriculum
  definition and types 232
  testing 3
Curriculum Development Centre, Australia 297
Curriculum development projects 227
  Australia 297
  Chile 341
  Federal Republic of Germany 347
  France 289
  impact evaluation of institutes 231, 353
  Israel 263
  Korea 307
  Netherlands 329
  Nigeria 319
  School Curriculum Development Committee, U.K. 257

Sweden 275
Cutting-off points for different types of assessment 38, 41

Day-release 52
Decentralisation 356
Sweden 277, 278
Decision-making 199
Decision-Making Information Needs Scale 202
Deep Processing 177, 181
Degree programme evaluation 159
Denmark, marking strategies 21
Devaluation 25
Diagnostic approach to testing 49
Diagnostic–prescriptive model of instruction 81
Didactics of Disciplines 289, 291, 292
Differentiated curriculum 40
Difficulty parameter, LRT 66
Disciplined Life 313
Dissatisfaction Theory of Democracy 200
Distance In-service Teacher Training 344, 347
Dutch National Institute for Curriculum Development 329

Early childhood education, instructional evaluation 163
Early Literacy In-service Course 301
Economics curriculum, MAVO schools 334
Educational Products Information Exchange 111, 165, 166
Educational software, evaluation 111
Education to Human Rights 293
Elaborative Processing 178, 181
Energy, IPN 250
Environmental Education Programme 300
Evaluation
Australian Curriculum Development Centre 297, 301
CPEIP 345
curriculum institutes in Nigeria 320, 322
INRP 295
IPN 251, 253
Israel Curriculum Centre 263
KEDI 314
National Board of Education in Sweden 275, 283
SCDC 260
SLO 332
Evaluation for disagreement 233
Evaluation for impact 234, 353
Evaluation for state control 234, 235, 362
Evaluation of Educational Achievement, SIMS 119
Evaluation research, finding the question 139
Examinations
Denmark 21
Netherlands 35
Scotland 49
Expectation and difficulties 185
Experimental Science in Elementary Education 345
Expression-centred learning 313
External assessment 5
External examinations
Australia 11
Netherlands 36
Scotland 51

FA test 21, 26
Federal Republic of Germany, impact of IPN 247–255
Folkeskole 21
Foreign language teaching
Australia 302
